GENERAL TERMS AND CONDITIONS

For Certificate Courses at Westfälischen Wilhelms-Universität Münster

(GCP WWU Weiterbildung Certificate Courses)

1 Scope and subject of the contract

These general terms and conditions together with the application form and Conditions of Participation and Information define the rules of participation in the certificate courses offered by Westfälische Wilhelms-Universität Münster in cooperation with WWU Weiterbildung gemeinnützige GmbH, HRB 10595 (hereinafter known as WWU Weiterbildung).

2 Application

2.1 The application form is to be completed with the necessary information. The Applicant agrees to submit the required supporting documents to Westfälische Wilhelms-Universität Münster, WWU Weiterbildung gemeinnützige GmbH, Königsstraße 47, 48143 Münster within the time limit set out in the application. The date of the postmark determines whether a time limit has been complied with. WWU Weiterbildung acknowledges receipt of the application in writing (Acknowledgement of Receipt).

3 Admission

The admission requirements for participation in a certificate course are set out in the admissions/examination regulations. The admissions/examinations committee for a particular course decides whether an applicant is admitted to that course and the number of available places for that course.

4 Formation of the contract

4.1 The contract is formed when WWU Weiterbildung acknowledges receipt of the application in writing (Acknowledgement of Receipt). Upon receipt of this Acknowledgement, the contract is formed.

4.2 If an Applicant is not admitted to a course, the contract is revoked and ineffective (resolutive condition).

4.3 The Applicant, upon submitting the signed application form, expressly accepts and agrees to abide by these general terms and conditions.

5 Scope of services

The scope of contractual services in relation to the Certificate courses arises from the course documents and information, the respective examination regulations (course plan) and clause 6 of the Conditions of Participation and Information.

6 Changes to Services

WWU Weiterbildung reserves the right to cancel or change a course under the following conditions and circumstances:

6.1 The cancellation can only take place if it is in the reasonable interests of WWU Weiterbildung to cancel. This is particularly the case if the minimum number of participants set out in the Conditions of Participation and Information has not been reached or if WWU Weiterbildung cannot provide services due to force majeure or impossibility. WWU Weiterbildung is able to cancel a course up to 20 days before the start. The participant will be informed of any cancellation without delay and will receive a refund of any course fee already paid.

6.2 WWU Weiterbildung reserves the right to appoint replacement lecturers/tutors in place of the advertised lecturers/tutors and to change teaching procedures provided that essential features of the course remain unchanged and the change is reasonable to the participant.

6.3 In the event that a complete module cannot take place, as the lecturer/tutor is unavailable, WWU Weiterbildung will attempt to offer a replacement date, which if necessary can take place in the following academic year.

6.4 If course units cannot take place (i.e. individual lessons/seminars), the participant has no right to a replacement date nor to a refund of the course fee.

6.5 WWU Weiterbildung reserves the right, after the contract has been formed, to make changes or variations to the format of the course or to the organisation of one or more of the courses/events and, if relevant, provide additional services if such changes and variations are necessary provided that the objective of the course is unaffected.

6.6 The said changes to services do not entitle the participant to a reduction of the agreed course fee.

7 Terms of Payment/Conditions of Payment

7.1 WWU Weiterbildung receives the stated course fee pursuant to Clause 6 of the Conditions of Participation and Information. Payment is to be made by bank transfer to WWU Weiterbildung, IBAN DE 37 4005 0150 0000 4435 56, BIC : WELADED1MST, Sparkasse Münsterland Ost. The obligation to pay is fulfilled when funds are credited to the account.

7.2 The course fee is not subject to Mehrwertsteuer (German VAT/sales tax). WWU Weiterbildung is exempt from Umsatzsteuer (VAT/sales tax) as it is a non-profit organization whose primary purpose is to serve the advancement of continuing/further education at Westfälischen Wilhelms-Universität Münster. However, WWU Weiterbildung reserves the right to charge Mehrwertsteuer (VAT/sales tax) in the event of a change in the law.

7.3 The course fee is payable upon receipt of the invoice and is to be paid by the stated payment date.

8 Cancellation and Non Participation

8.1 If the participant cancels his/her application for the course, the full course fee remains payable.

8.2 The participant is obligated to pay the course fee in full even if he/she does not attend the course(s) – regardless of whether the non-attendance is his/her fault. The participant cannot transfer his/her right to participate in and attend courses to another person.

8.3 In the case of 8.1 and 8.2 WWU Weiterbildung takes into account what it has saved as a result of services not being provided or what it has earned through another use of its services or what it wilfully neglects to earn. This is 10% of the fee before the course begins and 5% of the fee once the course has started. The participant has the option to prove that the saving to WWU Weiterbildung is higher in the individual case.

8.4 An alternative participant can be appointed up to 4 weeks before the start of the course provided that this person satisfies the admission requirements. The charge for this amendment is €100.

9 Repeating Course(s)/Events and Leave of absence

If the participant misses individual units/events, he/she can catch up in the following academic year without any additional cost. A leave of absence is possible for an ongoing course. The participant can continue the course at the same place he/she left it in the following academic year. Both options represent a pure gesture of goodwill by WWU Weiterbildung and assume that there is a following academic year for that course or in general. The participant bears the risk of possible changes and also the risk that there may not be a following academic year for that course or in general.

10 Examinations

The participants are subject to the examination/course regulations which are in place at the time the course begins.

11 Implementation of the electronic components of the course

11.1 The participant provides a PC with internet access.

He/she shall ensure that this PC is in good working order during the course and shall repair any glitches/faults.

11.2 WWU Weiterbildung ensures on their side, that they provide the technical requirements needed for the electronic data exchange for the Learning Management System for a particular course. WWU Weiterbildung gives no guarantee, that the Learning Management System is suitable or permanently available for a specific service or a specific software.

11.3 It is well known to the participant that, due to the structure of the internet, the possibility exists for transmitted data to be intercepted. WWU Weiterbildung is not liable for breach of confidentiality of email messages or other information transmitted over the internet.

11.4 If a third party brings a claim against WWU Weiterbildung for breach of intellectual property rights, WWU Weiterbildung is entitled to take the necessary measures to remedy the breach at the participant's expense.

11.5 WWU Weiterbildung is not responsible for backup of files saved on the server.

12 Liability

12.1 Claims over and above clause 6.1 do not exist provided it does not concern claims for injury to life, body or health. In the case of other injuries, claims only exist in so far as they are based on the gross negligence or intent of WWU Weiterbildung. In particular, WWU Weiterbildung does not accept any liability for injury/damage to person or property which occurs during the journey to and from the course venue(s).

12.2 The participant agrees to notify WWU Weiterbildung immediately if an action, claim or demand is brought against him/her by a third party for intellectual property rights and copyright infringement. The participant agrees to indemnify WWU Weiterbildung against any and all third party actions, claims and demands relating to the data.

13 Confidentiality

13.1 The participant receives the copyright protected course documents and agrees that he/she will not provide them to or make them accessible to a third party.

13.2 The participants and lecturers/tutors agree that they will keep information received from lecturers/tutors and participants strictly confidential (the Chatham House Rule): "When a meeting, or part thereof, is held under the Chatham House Rule, participants are free to use the information received, but neither the identity nor the affiliation of the speaker(s), nor that of any other participant, may be revealed."

14 Change of personal details

The participant agrees to notify WWU Weiterbildung in writing without delay of any change of address, telephone number or email.

15 Final Provisions

15.1 For the purpose of processing the application, the details provided on the form will be stored, evaluated and provided to the lecturers/tutors and other participants of that course for the purpose of performing the contract. Furthermore, WWU Weiterbildung would like to send information about courses, general events and news to participants. The participant at any time can request that the sending of information is stopped in his/her case.

15.2 The Applicant, upon submitting the signed application form, expressly accepts and agrees to abide by these general terms and conditions.

15.3 Modifications and amendments to this contract must be in text form. Oral supplementary agreements do not exist. Unilateral provisions or conditions are not the subject matter of the contract.

15.4 The claims of the contracting party become statute/time-barred one year from the date of issue of the certificate.

15.5 In the event that any clause, condition, term or provision contained in these general terms and conditions is or becomes invalid or unenforceable to any extent, or if a gap or omission becomes apparent, the validity of the terms and conditions as a whole will not be effected. An invalid clause, condition, term or

provision shall be replaced by one which has the same desired economic effect as the invalid clause, condition, term or provision in a manner permitted by law. If a gap or omission becomes apparent in the terms and conditions, the parties will find or accept a rule or provision which corresponds with what they would have agreed had the gap or omission been considered in the first place. No further claims can be derived from this contract.
